best selling portable
fibre range!

ARMOURLUX
COMMUNICATE PROTECT DELIVER

ArmourLux500

The Right Solution

ArmourLux500 meets the demands of mobile fibre optic communication, for media, audio, security, data...and more. Despite the variety of uses the requirements are often similar - a re-usable fibre cable that is easy to deploy, retrieve, connect, transport and store, over and over again.

ArmourLux500 addresses all of these needs.

So what's Unique about ArmourLux500?

We use a cable based on MIL-C-85045 Military Standard for the ArmourLux500 series, which is extremely strong, lightweight and rugged. It's ideal for harsh environments, striking a balance between durability and portability. It has a high crush resistance yet remains flexible so its easy to deploy and retrieve.

Buy with Confidence

All assemblies are made in the UK. We are an ISO9001 accredited company, where Quality and Customer Service are our highest priorities.

We have developed this cable to make it stand up to life on the road, but accidents can happen. If you break a connector, send it back and we will fix it for you.

We're here to support you - whatever the question about fibre, we will help you!
