

ARMOURLUX
500

The No.1
best selling portable
fibre range!

ARMOURLUX
COMMUNICATE PROTECT DELIVER

ArmourLux500

The Right Solution

ArmourLux500 meets the demands of mobile fibre optic communication, for media, audio, security, data...and more. Despite the variety of uses the requirements are often similar - a re-usable fibre cable that is easy to deploy, retrieve, connect, transport and store, over and over again. ArmourLux500 addresses all of these needs.

So What's Unique About ArmourLux500?

We use a cable based on MIL-C-85045 Military Standard for the ArmourLux500 series, which is extremely strong, lightweight and rugged. It's ideal for harsh environments, striking a balance between durability and portability. It has a high crush resistance yet remains flexible so its easy to deploy and retrieve.

Buy With Confidence

All ArmourLux assemblies are made in the UK. We're also an ISO9001 accredited company, where quality and customer service are our highest priorities. With over 25 years experience as a trusted provider of fibre optic cables, you can be reassured we understand the requirements of mobile, fibre optic communications.

Industry Standard Connectors

Industry standard LC, ST and SC connectors to enable direct connectivity to containment and devices.

Protective Tubes

LC Uniboot (Top) and LC

SC (Top) and ST

Capacity Per Reel (m)

REEL OPTIONS	Number of Fibres	2	4	8	12	24
	Cable Dia.	5.4mm	5.8mm	7mm	7.3mm	8.5
	R1	76	67	49	36	33
